2021 Livestock Contacts - By Member**

Please read the following before contacting your assigned businesses

- Each child needs to make 4 presentations total. Your child has been assigned a minimum of 4 buyers. These presentations need to be face to face. Calling or emailing does not count.
- Please reach out to each of the assigned buyers. We welcome new buyers, so please don't feel like you need to limit your contacts.
- Know the business you are contacting. Some contacts may require an appointment to meet with you. Please confirm with the business if it is okay to "drop in" or if they prefer an appointment.
- If the contact is no longer reachable or is not interested, you must find a new contact and present to them. If they are no longer in business or are unreachable it **DOES NOT** count as a contact.
- A person can only be used as a contact once, regardless of how many companies they have.
- Before searching for a new contact, please check the buyer contact list first. Confirm both the business and the person have not yet been contacted. Also check the **DO NOT CALL** list.
- Buyer contacts need to be turned in no later than July 19. Buyer contacts will be turned in via google docs. If you have questions, please contact 4halaska@gmail.com**

If you have questions you may contact Heather, at 4halaska@gmail.com

Please read the following before contacting your assigned businesses

1. Each child needs to make 4 presentations total. Your child has been assigned a minimum of 4 buyers. These presentations need to be face to face. Calling or emailing does not count.
2. Please reach out to each of the assigned buyers. We welcome new buyers, so please don't feel like you need to limit your contacts.
3. Know the business you are contacting. Some contacts may require an appointment to meet with you. Please confirm with the business if it is okay to "drop in" or if they prefer an appointment.
4. If the contact is no longer reachable or is not interested, you must find a new contact and present to them. If they are no longer in business or are unreachable it **DOES NOT** count as a contact.
5. A person can only be used as a contact once, regardless of how many companies they have.
6. Before searching for a new contact, please check the buyer contact list first. Confirm both the business and the person have not yet been contacted. Also check the DO NOT CALL list.
7. Buyer contacts need to be turned in no later than July 19. Buyer contacts will be turned in via google docs. If you have questions, please contact 4halaska@gmail.com

If you have questions you may contact Heather, at 4halaska@gmail.com

Please read the following before contacting your assigned businesses

- Each child needs to make 4 presentations total. Your child has been assigned a minimum of 4 buyers. These presentations need to be face to face. Calling or emailing does not count.
- Please reach out to each of the assigned buyers. We welcome new buyers, so please don't feel like you need to limit your contacts.

- Before searching for a new contact, please check the buyer contact list first. Confirm both the business and the person have not yet been contacted. Also check the **DO NOT CALL** list.
