ALASKA STATE 4-H HORSE PROJECT INSERT

Instructions

1. Use this Horse Project Insert along with the Alaska 4-H Record Book to record all the things you do in 4-H this year.
2. Use a separate Horse Project Insert for each of your projects. This section is also printed separately for convenience.
3. Use your records to look back at the progress you have made during the year. This will be helpful when you write your year-end story and also when you make plans for next year.
4. The Record Book and the Horse Project Insert demonstrate your personal work. They should be kept current as the year progresses. Handwriting or typing should be your own. You may add pages if you run out or room for entries.
5. The Record Book and the Horse Project Insert document the care, cost and keeping of a large animal and are treasured keepsakes of a child's growth and development in a project. To high school age members, these Record Book and inserts can be used as references for jobs, colleges and scholarships.

Youth Horse Program Commitment to Excellence

- I believe that participation in the 4-H Horse Program should demonstrate my own knowledge, ability and skill as a caretaker and exhibitor of equines.
- I will do my own work to the fullest extent that I am safely capable and will accept only advice and support from others.
- I will not use abusive, fraudulent, illegal, deceptive or questionable practices in the feeding, fitting and showing of my animal(s), nor will I allow my parents, my supervisor or any other individuals to employ such practices with my animal(s).
- I will read, understand and follow the rules, without exception, for all horse shows in which I am a participant, and I will ask that my parents and the supervisor of my project do the same.
- I wish for my horse project to be an example of how to accept what life has to offer, both good and bad, and how to live with the outcome.
- I realize that I am responsible for:
 - ◆ the proper care and safe, humane treatment of my animals
 - ◆ the safe handling of my animal at all times

The Power of 4-H

“It’s a powerful thing when kids team up with adults to learn new skills, improved their communities, explore the wonders of today’s world, prepare for tomorrow’s opportunities and have fun: That’s the power of 4-H!”

— From *Michigan 4-H Today*, 1996

4-H is an endless parade of enthusiastic young people, exhilarated by the great challenges of tomorrow, because they have already conquered the small challenges of today.

There are more than 5 million participants in 4-H, proving that young people respond to the 4-H challenge to do the difficult — “to make the best better.”

4-H not only asks for the best work youngsters can produce, it gives them the guidance for accomplishing their goals.

Adults and youth, with a gift for leadership and liking for young people, volunteer their time to lead local groups, showing youngsters the “how to” and “why” of various activities.

4-H is an exciting, “learning-by-doing” experience in which 4-H’ers can select projects and set their own goals. By completing their projects, they have learned useful skills, dignity of work and the satisfaction of responsibility. By comparing their accomplishment with others, 4-H’ers develop higher standards of excellence and the self-confidence to broaden their goals and interests.
