Work will be judged on design, composition, originality, creativity, color saturation, lighting, contrast emotional response, technical expertise, and craftsmanship. Entries in the Professional Division will also be judged on presentation.

Art must be original: no copies or kits will be accepted. Art must be painted within the last two years. The superintendent reserves the full right not to hang or judge any entry. The Fair is not responsible for frames damaged during handling or hanging; every measure is made to prevent injury to artwork.

Pay special attention to size and framing requirements. Entries not meeting any and all requirements (including framing requirements) will be disqualified. Disqualified entries will not be judged, however, if space permits may be displayed.

SIZE REQUIREMENTS:

Maximum size is 60 united inches including the frame.

(example: height + width: 24+36 = 60 united inches)

Minimum size is 18 united inches

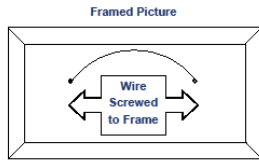

(example: height + width: 8+10 = 18 united inches)

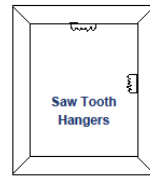

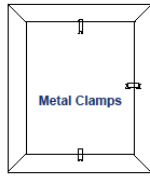

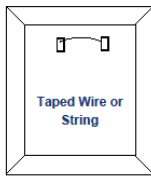

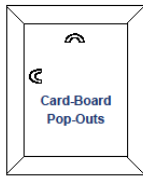

FRAMING REQUIREMENTS:

All frames must be able to be hung with screwed hangers and wire. String, fishing line, yarn, rope, cardboard hooks, saw tooth hangers, or taped wire is not acceptable. Framing junior entries is recommended; however if framing is not possible entries may be stretched and taped to a stiff, non-warping foam backing board or shrink wrapped. Wire through the foam backing board will make a hanger. All Open and Professional entries must be framed in a sturdy wood or metal frame under glass. Oil and acrylic paintings need not be under glass.
