Weekly Challenge:
Send us a photo of your creation via email, or social media. All submissions will receive a prize.

OVERVIEW

Hello there 4-H. Today we have a *Do It Yourself* project for the garden or to decorate your front/back yard.

DESCRIPTION

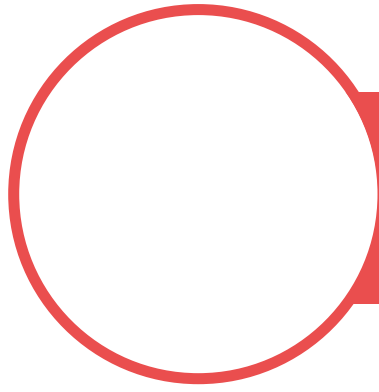

THIS KIT IS INTENDED TO BE USED ALONG WITH VIEWING THE DEMONSTRATION VIDEO PROVIDED VIA INSTAGRAM OR THE YOUTUBE LINK: "4-H Fun Friday: DIY Birdfeeders" https://www.youtube.com/watch?v=4AWjt_Y09lw&feature=emb_title (brought to you by the University of Maine 4-H Extension Program).

DIRECTIONS

1. Follow the video instructions. Enjoy!

GOALS AND REFLECTION:

1. Are you satisfied with the way your birdfeeder turned out?
2. Begin a record sheet of how many birds come to feed daily and the different types of birds that come.
