
Imaginative Watercolor

4-H

AT HOME KIT

Grade Level: K-5

Week Of: 04/06/2020

Time: 30 minutes

Overview

Hey 4-H'ers! Most of us are probably tired of being stuck in the house feeling like we are trapped (though it's for our own good to stay healthy). So we introduce to you this art project that will allow you to explore your imaginations, escape to a paradise in your own mind and bring it to life on canvas!

Description:

If you could be anywhere besides your house right now, where would it be? Paint a picture of the most magical place you can think of, an ideal vacation spot, or a place you've always dreamed of visiting.

Directions:

1. Find a place in the house to sit down, think, relax and paint.
2. Prepare a cup of water for your paintbrush.
3. Optional and recommended: Sketch your rough draft on a scrap piece of paper with a pencil before going to the canvas.
4. Copy your rough draft on to your canvas using your watercolors.
5. Let the canvas dry after completing your masterpiece.

Goals:

Allow youth to explore their imaginations, meditate, and expound on their artistic abilities through the medium of watercolor paints.

Reflection:

Send us a photo of your masterpiece via email, or social media. We will choose a winner by Monday April 13th, 2020. The winner will receive a prize!
