

2022

Intermediate

Large Livestock

Educational Insert

To be completed and turned in to the CES office with an up-to-date Alaska State Livestock Record Book.

Due at record book checks in August.

Youth Livestock Program Commitment to Excellence

_____ I believe that participation in the Livestock/ Animal Program should demonstrate my own knowledge, ability, and skill as a caretaker and exhibitor of livestock.

_____ I will do my own work to the fullest extent I am capable and otherwise will only accept advice and support from others.

_____ I will not use abusive, fraudulent, illegal, deceptive, or questionable practices in the feeding, fitting and showing of my animal(s); nor will I allow my parents, supervisor, or any other individual to employ such practices with my animal(s). I understand that if I am caught doing so, I may lose the privilege of marketing an animal in the current and/or following year's fair.

_____ I will read, understand, and follow the rules, without exception, of all the livestock shows in which I am a participant. I ask that my parents and the supervisor of my project do the same.

_____ For market animals, I understand that I must sell my highest placing animal of the species that I choose to auction. This is to provide the buyers with the best quality product. Exceptions for breeding stock must be pre-approved through the livestock committee before the August 2022 committee meeting.

_____ I wish for my livestock/animal project to be an example of how to accept what life has to offer, both good and bad, and how to live with the outcome.

_____ If I participate in the auction, I understand that I may not receive my check (including both sale price and add-ons) until after the buyer of my animal has paid.

_____ I realize that I am responsible for:

- the proper care and safe, humane treatment of my animal(s).
- demonstrating strong moral character as an example to others.
- the production of a high quality, safe and wholesome food (market animals only).

Exhibitor Signature

Date

On my honor, I promise that the 4-H student has been and will be doing the work and the writing to fill out this record book, except for special needs cases. Lower quality work for a younger student is expected and taken into consideration for judging. Some parental help is expected where needed, as long as the student is doing all the recording and writing of which they are capable.
