**Open Class Vet Check and Entry:
Wednesday, August 24, 4-8:30 p.m.**

FAIRGROUNDS ENTRY ONLY – Farm Exhibits

Anyone may enter the Open show. Reserve pens by August 22 using a Pen and Cage Request Form and include all animals you intend to exhibit. Entries may be limited to three pens per family, with the number of animals per pen determined by the superintendent after consultation with the exhibitor. Exhibitors may enter two animals per class.

Animals may be judged in their pens except for Showmanship. No one may enter the arena or converse with a judge or official without the superintendent's permission. Animals in Divisions 02 - 06 are judged on genetic, reproductive, and breed qualities. Market Class entries must be market ready by Fair time.

A veterinarian at the north door of Farm Exhibits will clear all animals before they may enter the building. Vaccination records for erysipelas in swine and IBR-BVD-PI3 in cattle must accompany entries. Only clean animals with good health are accepted. Animals with infectious, contagious, or communicable conditions are prohibited from the grounds throughout the Fair. Examples include external parasites, pseudotuberculosis in goats, and ringworm or warts in cattle. Health certificates are valid for 7 days unless otherwise indicated. The veterinarian on duty at the Fair can override a health certificate at any time.

The Fair provides bedding/straw and hay – the exhibitor must furnish all other feed (grain, etc.) Each exhibitor must be responsible for the bio-security and care of livestock, and keep your stall and tack room space clean on a daily basis. Daily grooming and feeding must be completed by fair opening time. Failure to keep animals and pens clean may result in the forfeit of awards and required removal of animal from the fairgrounds. Identify all personal equipment. Herdsmen are available for cleaning for a fee of \$10.00 per stall – livestock will be watered and fed at no extra charge. No herdsman are available during 4-H shows. All livestock brought to the Fair must participate in livestock shows/classes.

Exhibitors are encouraged to display a sign to identify their herd and further decorate their pens. Animals must be confined to the arena or designated area. All animals must be led in by owner and be under complete control of the handler at all times. Animals not halter trained will not be admitted. Animals with horns must wear protectors. All cattle tied to the railing during open and 4-H shows must use a halter and a neck tie supplied by the Fair. Animals must remain for the duration of exhibit or forfeit premiums.

Entries without entrant contact/mailling information will be automatically disqualified and not judged.

No entry fees for any division.
