All judging decisions are final. Persons from the professional and amateur photography and artistic community will perform the judging. Superintendent will vote only to break a tie. Superintendent reserves the right to disqualify from judging and/or not display an entry at any time, for any reason.

Only 1 entry per class, up to 3 entries per entrant. Any class with less than 3 entries will not be judged or awarded, though it may still be hung. No lewd or illicit images will be judged or displayed, as determined by the superintendent. Tasteful representations may be entered. Contact the superintendent with questions, concerns, or for clarification.

All entries should be the work of the person making the entry, with a minimum of outside assistance and intervention. Photographs should have been taken within two years and not entered previously. Please note that judging is based solely on the photograph, not the mounting or matting.

Photo Mounting: Entries must meet the following guidelines to be considered for judging.

Important - Please Read (see Photography FAQ for more information)

Images must be securely mounted on ¼" foam-core board with the board cut to the following dimensions:

- Entries in Panoramic Class (Class 08) can only have a maximum size of 12"x24".
- Finished sizes of entries in all other classes must be either 8"x10" or 11"x14". No other size is acceptable.
- Sizes pertain to the foam-core board and the finished mounted print, not the photo itself. Prints may be of any size that fits on the acceptable sized board. Any matting must also fall within the maximum sizes listed above.

Completed mounts must be in a fitted clear sleeve or properly shrink-wrapped. Many frame shops can mount and wrap your photos or sell clear fitted sleeves.

No framed or glass mounted images will be accepted.

Do not apply hangers to the back of entries. Fair provided Velcro will be used to hang all entries. The Fair and superintendents are not responsible for damaged, misplaced, or stolen items. All entries are submitted at your own risk.

All divisions are open to all ages. If you are entering as a Junior or Professional, place the appropriate letter on the entry form under sub-category. A professional is someone who is currently active in the sale of photography, pursuing or returning to a career in photography, or teaching classes in photography.

SUB-CATEGORIES:

A: Junior, ages 12 and under

B: Junior, ages 13 through 17

If sub-category is not specified, entry will be classified as OPEN.
