Some classes are limited! Registration is first come, first served.

Call the Cooperative Extension office to register! 262-5824

Healthy Hooves; Anatomy and Care of Horse Feet: Learn the anatomy and care of the horse's foot from local farrier Mr. Ron Homan of Ron's Horseshoeing.

Backyard Poultry; Raising Chickens, Turkeys, Ducks, Geese, and Game Birds for Food: Hear from local families, the 4-H Poultry Superintendent, and KP 4-H'ers the best tips and techniques to set your backyard up for poultry-raising success.

Soap Making with Goat's Milk: See how cold-pressed, goat's milk soap is made. Join Ms. Barbra from White Gold Farms and learn how to make a batch of wonderful goat milk soap! Please bring your apron, safety glasses and gloves are provided.

Cloverbud Camp: The theme this year for Cloverbud Camp is Space! Ms. Toni will teach Grades K-2 all about outer space through crafts, videos, and other fun-filled activities. Because of the number of participants and the length of the event, parents are asked to stay with their Cloverbud.

Fiber Wuzzy Fiber Fun: Learn all about fiber arts and how to finger knit! Taught by the Fuzzy Wuzzy 4-H Club. Class size limited to 12.

The Drone Fundamentals: Such a great class the first time, a repeat was in order! Come ask questions from an FAA certified drone pilot and learn about what drones to buy, how to fly one, and the local rules that apply to drones. Bonus: watch some stunning drone footage and learn what separates a bad drone video from a great one!

All Things College: Are you thinking about college and what you need to do to start on the path to being a college student? Learn about admissions, scholarships, testing, and financial aid, and all the things you need to be thinking about to become a college student. After discussion time, take a tour of KPC w/ Ms. Emily who will give you a peek into what it looks like to be a college student today.

Contest Clarity: Have you ever wondered what it's like to compete in a state or national contest? Are you intimidated by competition but see your peers enjoying contests and wonder what it would be like? Join coaches and contestants and see how FUN contests can really be!

Designs on Rocks: Come paint rocks with Ms. Lisa and see how much fun it is to put your designs on rocks for fun or to trade!

Intro to JML: Marketing Livestock in the KP 4-H Junior Market Livestock Program. An open discussion with Ms. Cassy about the who, what, where, when, why, and how of marketing in 4-H. Excellent class for new JML members, and the last opportunity to sign up for JML this year.
