**Subject Line:** Provide Kids with Critical Life Skills—Give a Clover Today

---

This holiday season, *[Company]* is joining 4-H in helping provide kids with the opportunity to learn critical skills to lead in life. *[Company]* has invested in 4-H because we believe that every child deserves the chance to succeed.

**It's easy:**

- Give a clover in your name, or in honor or memory of someone at [www.4-H.org/support](http://www.4-H.org/support)
- You can give locally or help kids nationwide
- You will receive a True Leaders badge and the opportunity to share your support on your social channels. Be sure to use [#TrueLeaders](https://twitter.com/TrueLeaders)

Give kids the chance to learn critical life skills like responsibility, hard work and resiliency. Help them become confident kids and adults.
