

# Tanana District 4-H

## Growing Tomorrow's Leaders

The Tanana District offers a wide variety of club projects to help youth become future leaders. Projects are available in shooting sports, livestock and horses, foods, crafts, computers, camping and more. Youth may also create their own project. Most project areas have excellent resource materials that are also useful for public and home school.

Besides club projects, there are many district and statewide activities, such as presentation and cooking contests. Teens in particular have many competitive and educational opportunities at regional and national levels, including National 4-H Congress, Western National Round-up, conferences and more.

# JOIN | THE REVOLUTION OF RESPONSIBILITY

## Joining is easy as 1-2-3

- 1** Contact Marla Lowder, 4-H agent.
- 2** Enroll and pay dues.
- 3** Have fun!

The 4-H year begins October 1, so don't miss out. The sooner you join, the more fun you can have! The Tanana District includes Interior Alaska and extends as far east as Canada and as far north as Barrow.

### Pass your knowledge to future leaders — volunteer with 4-H.

Leaders are welcome and needed. We have training, clinics and workshops for leaders, a lending library, committees and special events to be involved with. Bring your ideas!
