

To all Small Stock exhibitors:

These inserts are meant to help you learn throughout the year. Since I cannot hold classes to teach you what is on these inserts you are required to do research and find all the answers. All these questions have been taken from our contract, the APA (American Poultry Association) the ARBA (American Rabbit Breeders Association) book, and Stories Guide to Raising Turkey's.

Juniors and intermediates, it is perfectly acceptable to have a family member to read the questions to you and help you research. If anyone gets stuck and needs help, please reach out to me and I will do what I can to help you get unstuck. Thank you and have a great summer!!!
